CBI to probe C'garh custodial death: SC

'Admin, Cops Tried To Pull The Wool Over Court's Eyes'

COVER-UP RAP: The apex court also directed the state govt to pay Rs 25 lakh as interim compensation to the family of the deceased

New Delhi: Accusing top administrative and police officials of Chhattisgarh of trying to "cover up" a custodial death case, Supreme Court Wednesday expressed lack of confidence in the state administration's catching of errant officials and handed over the case to CBI. It also directed the state govt to pay Rs 25 lakh as interim compensation to the family of the deceased.

A bench of Justices Vikram Nath and Sandeep Mehta said that the case warranted immediate registration of an FIR and a thorough investigation into the circumstances leading to the death of Shravan Suryavanshi, which the state authorities had "conveniently and deliberately tried to cover up".

It said that state authorities were adopting a "dilatory approach" and could not be trusted to conduct an impartial probe. Shravan was arrested on Jan 18, 2024, after he was found in possession of raw Mahua liquor and lodged at Central Jail, Bilaspur, from where he was referred to hospital on Jan 21. He died a day later.

Referring to the high court order, bench said the death of the deceased was on account of violence perpetrated on him in custody. In compliance with the court's directive, the DGP, director general (Prisons) and principal secretary (home), virtually appeared before the court, which found their explanation "perfunctory and pedantic".

"In this backdrop, the stance of blissful ignorance taken by the senior officers of the State of Chhattisgarh, including the Principal Secretary (Home), the DGP and the DG (Prisons), is sacrilegious and reflects a disturbing disregard for the statutory procedure governing custodial deaths. The explanation offered that neither any police action nor any disciplinary action was taken against the persons responsible because the judicial inquiry report had not been served upon the police officials is a cover-up story and an attempt to pull the wool over the Court's eyes," bench said.

"We have seen the medical reports of the deceased Shravan and find that a clear attempt was made to mislead the inquiry because, in the medical report prepared at the jail at the time of his death, the cause of death was recorded as cardiopulmonary arrest with aspiration pneumonitis, with the diagnosis being alcoholic withdrawal and delirium tremens," it said.

The court thereafter asked the CBI director to ensure immediate registration of a regular case over Shravan's custodial death, ordering that the investigation be entrusted to a senior officer and conducted expeditiously. The report of the investigating officer is to be placed before the court on the next date of hearing.

Kashmiri Pandit killings in '90: Probe reopened

Sarvanand Kaul Premi was a poet. Sarla Bhat was a nurse. Both were Kashmiri Pandits who stayed behind when militancy erupted and were killed in 1990. More than three decades later, J&K police's SIA revived unresolved cases from the Valley's darkest years. The agency searched Wednesday nine locations in its probe into the abduction-murder of Premi and his younger son, weeks after filing a chargesheet in Bhat's killing. — **Naseer Ganai**

7 killed after landslide hits Mum houses

Mumbai: Seven people were killed after a landslide struck a row tenement located near a hillock in Mumbai's suburban Sakinaka area early Wednesday following heavy rain.

The deceased included three children in the age group of two to 14 years, while seven injured persons were undergoing treatment. With two more persons feared trapped under the debris, the search and rescue operations continued late in the evening, Brihanmumbai Municipal Corporation (BMC) officials said.

The landslide hit three shanties in Gaushiya Chawl in Ashok Nagar locality of Chirag Nagar at 3.48 am, civic officials said. Soil and boulders from the adjoining hillock fell on the shanties, officials said, adding that seven persons were declared brought dead at the hospital. The BMC has made arrangements for temporary accommodation for the residents of the chawl. PTI

9-yr-old raped, bro beaten on way back from school

Bhopal: A 9-year-old was raped allegedly by a family acquaintance who intercepted the girl and her 11-year-old brother returning from school, offered them a lift home on his motorcycle, and took them to a secluded place where he committed the crime in Madhya Pradesh's Bhind district Tuesday.

The accused took them to a secluded cluster of bushes behind the school premises where he raped the girl, police said. When her brother attempted to resist and rescue his sister, the accused thrashed him. He then abandoned the children there and fled.

As the girl fell unconscious, her brother ran home and alerted his family members, who rushed the bleeding survivor to hospital. Police are raiding suspected hideouts to track down the accused. TNN
