Dhami asked students to first use their discretion, intellect and thinking abilities on any subject and then learn from the guidance and experi-

The CM said that students are the present and future of the country. He said students should move forward to realize their dreams. "Understanding the subjects is more important than scoring marks in examinations. Adopting values and discipline in life is sure to lead to success," he said.

The CM said students need

PIONEER NEWS SERVICE ■ Dehradun

“Today the government is making the youth write essays on the dream Uttarakhand,

"CM's visit to the youth is welcome, but the Chief Minister should remember that Gen-Z doesn't just want dialogue; they also want answers," she said.

He said that students should

During the interaction with the CM, the students gave various suggestions including

The CM exhorted the youth to continuously strive towards their goals and move forward by learning from challenges. He said that we should make resolutions in our lives and that resolutions should be free from any options.

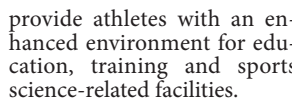

The programme was virtually attended by more than three lakh students of classes XI and XII from 2 828 govern-

The CM took the students' suggestions seriously and noted them and directed the officials to prepare an action plan accordingly. The Chief Minister said that the suggestions given by the students will also be included in the government's policies.

Several saints, including Mahant Hari Giri and Mahant Ravindra Puri, participated in the march. Athletes, youth and citizens from across the country also took part. To facilitate the march, four major stops were set up every five km, where locals and sports enthusiasts welcomed the participants.

Arya highlighted that there is no shortage of sports talent in Uttarakhhand. "What we need are better training, modern facilities, scientific training systems and high-level opportunities. The Sports University to be inaugurated on National Sports Day will be a significant step forward towards achieving these goals," she said, adding that it would

She stated that the commitment to host the 2036 Olympics is not just a pledge emanating from Delhi or a single city, but a dream shared by the entire nation. "Uttarakhand is also playing its role in this collective aspiration of the nation through this yatra with a commitment," she declared.

His statement follows the incident on Saturday when the Congress leaders had stormed into the office of the SSP of Udham Singh Nagar against alleged attempts by the police to prevent party workers from reaching the venue of the rally of Congress president Mallikarjun Kharge in Haldwani.

He said that the All India Services, commonly known as the IAS and IPS have been the 'steel frame' of the nation's unity, integrity and administrative continuity. The greatest strength of these services is their impartiality, political neutrality and commitment to the Constitution.

Chief minister Pushkar Singh Dhami has assigned the department a target of developing 250 MW of solar power capacity under the MSSY. Under the scheme, solar power plants of 20, 25, 50, 100, and 200 kilowatt capacities are being installed by local residents. Applicants are being provided with all the benefits under the MSME Policy - 2023.

The data shows that with 369 solar power plants of 69,050 KW capacity Terhi leads the table of districts in the State. Uttarkashi has 227 plants (43,660 KW) , Champawat 144 plants (28,200 KW), Haridwar 86 plants (19,900 KW), Pauri 88 plants (15,440 KW), Chamoli 72 plants (

11,725 KW) and Almora has 32 plants with 5,600 KW capacity. Solar projects have also been installed under the scheme in Dehradun, Rudrapur, Bageshwar, Nainital, Pithoragarh and Udham Singh Nagar districts.

Apart from enhancing solar power generation and promoting green energy, the MSSY is also creating self-employment and entrepreneurship opportunities in rural and mountainous areas of the State. Projects established under the scheme are providing direct and indirect employment to about 3,500 people.

CM Dhama said that the MSSY is an important initiative to connect Uttarakhand's youth and residents with self-employment. "Our effort is to increase local entrepreneurship and employment opportunities in sectors like solar energy. This is not only promoting green energy, but also strengthening economic activity in the mountainous regions and preventing migration," he said.
