

₹10.77 lakh taken from woman on pretext of securing kin’s bail: Bail denied to accused lawyer

Court rejects the advocate’s offer to deposit ₹5.77 lakh, observing that the total amount involved was over ₹10.5 lakh

Jagpreet Singh Sandhu
Chandigarh, August 8

A CHANDIGARH court has dismissed the bail plea of an advocate accused of taking Rs 10.77 lakh from a woman on the pretext of securing bail for her brother-in-law, who is in jail in a case under the stringent Unlawful Activities (Prevention) Act (UAPA) and the Arms Act.

While dismissing the bail application on August 3, Additional Sessions Judge Amit Kumar Grover observed that since the accused is an advocate, “there are fair chances of accused tampering with the evidence and influencing the prosecution witnesses”. The court also rejected his offer to deposit Rs 5.77 lakh received through online transactions, observing that the alleged total amount involved was Rs 10.77 lakh.

The accused advocate is facing proceedings in a First Information Report registered in May this year at the Sector 39 police station in Chandigarh on charges of cheating under the Bharatiya Nyaya Sanhita (BNS) and bribing a public servant under the Prevention of Corruption Act. He was arrested on July 7 and has been in custody since then.

The FIR was registered on the complaint of Pushpinder Bagga, who alleged that the accused advocate took Rs 5.77 lakh through online transactions and Rs 5 lakh in cash from the com-

plainant and her sister, Jaspreet Kaur, on the pretext of securing bail for Baljit Singh, who had been lodged in Burai Jail since 2024. The accused advocate allegedly showed a bail order purportedly passed by a high court judge on his mobile phone, but the order did not bear an official seal and appeared suspicious, the court noted. It also observed that Baljit Singh’s bail was not pending before that court.

Arguing for bail, the accused advocate’s counsel submitted that the applicant had been falsely implicated at the instance of the complainant and that no offence under the BNS or Prevention of Corruption Act was made out. The counsel said, “The ingredients of offences are not made. The complainant has intentionally and deliberately presented wrong and distorted facts. The applicant/accused has no concern with the allegations levelled against him.”

The defence further submitted that the accused advocate, a law graduate practising at Kalka and Chandigarh district courts, had been contacted by Kaur to file a regular bail application for Baljit Singh, who was lodged in Model Jail, Burail.

It was submitted that the accused had told her he was a beginner in practice and did not have sufficient experience in handling such bail matters. Kaur allegedly insisted, pointing out that no senior or experienced

lawyer was ready to represent Baljit. The legal fee, the counsel said, was mutually settled.

“No iota of evidence has been brought on record to prove any forged or fabricated bail order. The amount so received by the applicant is in the shape of counsel fee,” the counsel argued. It was further submitted that nothing had been recovered from the accused.

Without prejudice to his rights, the defence said, the accused was ready to deposit Rs 5.77 lakh received through electronic bank transfer/UPI before the investigating officer, to be kept in the form of a fixed deposit receipt subject to the outcome of the case.

Opposing the bail, the additional public prosecutor argued that “the accused is sharp-minded” and as per the allegations, he has extracted money out of the complainant by misusing the name of judges of the High Court.

After hearing the arguments, the court observed. “As far as the arguments that the accused is ready to deposit the sum of Rs 5,77,000 which was received by him through various online modes, is concerned, even if the accused is ready to deposit the said amount, that cannot be a ground to grant the concession of bail to the accused because as per the allegations, accused had obtained a sum of Rs 10,77,000 in total.”

The court further held that, “Moreover, the return of the said amount, by itself does not become a ground of grant of concession of bail”. Stating that it does not find any ground to grant bail, the court dismissed the bail plea.

Punjab and Haryana HC Bar seeks separate parking area for court employees

Express News Service
Chandigarh, August 8

THE PUNJAB and Haryana High Court Bar Association has urged the Acting Chief Justice to designate the newly developed paved parking area on the high court premises exclusively for the vehicles of officers and employees of the high court, saying the move would provide certainty to employees and “minimise congestion during

the morning hours”.

In a representation, the Bar Association through its presiding Rohit Sud and secretary Parampreet Singh Bajwa, said the recently developed “well-laid paved parking area with interlocking tiles” has enhanced parking facilities within the court campus and presented an opportunity to regulate parking “in a more systematic and efficient manner”.

“In the interest of orderly

parking management, it is humbly prayed that the said newly developed paved parking area may kindly be earmarked and designated exclusively for the vehicles of the officers and employees of the Punjab and Haryana High Court,” the association said.

The association submitted that high court officers and employees generally report for duty at around 9 am and re-

main within the premises until approximately 5 pm. “Their parking requirements are, therefore, fixed and predictable throughout the working day,” it said.

“Designating the said parking area for the high court establishment would provide certainty to the employees, minimise congestion during the morning hours, and facilitate smooth regulation of vehicular movement within the

court complex,” the representation said.

The association said if the newly developed paved parking area was earmarked for high court employees, “the remaining parking areas would be available for use by the members of the Bar, resulting in greater turnover of parking spaces and making it considerably easier for advocates to find parking during different hours of the day”.
