

Kodakara hawala case transferred to PMLA court for joint trial with ED case

State police oppose the move, arguing that transferring the case will amount to encroachment by the Enforcement Directorate on the powers of the State government

The Additional Sessions Court, Irinjalakuda, has transferred the Kodakara hawala case, being investigated by the Crime Branch, to the Special Court under the Prevention of Money Laundering Act (PMLA) in Kaloor for a joint trial with the case already filed by the Enforcement Directorate (ED).

The accused have been directed to appear before the PMLA court on November 19, 2026. In its petition, the ED contended that the trial of the scheduled offence case and the PMLA case should be conducted simultaneously and sought

the transfer of the case under Section 44(I)(c) of the PMLA. The State police opposed the move, arguing that transferring the case would amount to an encroachment by the ED on the powers of the State government.

Special Public Prosecutor M.J. Santhosh appeared on behalf of the ED. It is learnt that the ED is set to move applications in all courts dealing with cases involving PMLA to the Special PMLA Court.

In an objection filed before the Irinjalakuda court

on December 5, 2025, Deputy Superintendent of Police V.K. Raju, the investigating officer in the hawala case, asserted that the trial before the sessions court was at an advanced stage, and that any move to transfer the case at the instance of a third agency with no investigative role in the matter would cause serious prejudice to the prosecution.

He further opposed the ED's move, contending that the offences involved in the case and those alleged by the Central agency were "separate and distinct".

The objection petition also argued that Section 44 of the PMLA does not authorise a parallel investigation or interference with the lawful jurisdiction of the State Police.

The police arrested 23 persons in connection with the case and recovered ₹1.58 crore, part of the stolen booty.

The Kodakara hawala case revolves around an alleged highway robbery at Kodakara, Thrissur, on April 3, 2021, just three days before the Kerala Assembly elections.

Police investigations revealed that ₹3.50 crore, allegedly being transported to Ernakulam for use in the election campaign, was looted when a gang staged a fake accident near Kodakara to intercept the vehicle carrying the money.

Tuna caught along Indian coast safe to consume: CMFRI

The Hindu Bureau
KOCHI

The Central Marine Fisheries Research Institute (CMFRI) has said that the tuna caught along the Indian coast do not show any harmful parasite infestation and hence are safe to consume as a healthy diet.

The institute has advised consumers not to avoid tuna or other commercially available fish solely based on reports of parasitic infections detected in fish from a particular region.

The advisory comes in the wake of reports highlighting the presence of parasites in skipjack tuna, based on a study conducted on fish from the Atlantic Ocean off Brazil.

CMFRI Director Grinson George said in a release that scientists at the institute regularly examine fish, including skipjack tuna, as part of fish biology

studies and observe fish for abnormalities and parasites whenever necessary. The fish examined do not show external manifestations of harmful parasitic infestation, he added.

The institute said such findings from a particular geographical region should not be generalised to tuna caught in Indian waters.
