IN BRIEF

CPI(M) seeks houses, land pattas for homeless

The CPI(M) staged a protest outside the Mandal Revenue Office (MRO) in Chinagadili, demanding houses, house sites and pattas for eligible homeless persons. The protesters also sought registration of pattas, correction of measurement errors and regularisation of eligible landholdings. CPI(M) district secretariat member R.K.S.V. Kumar said beneficiaries under TIDCO and Jagananna housing schemes have yet to receive completed houses, even though some beneficiaries had paid their contribution. He sought implementation of the TDP-led coalition's election promise to allot two cents of land in the city to eligible homeless individuals and construct houses for them.

Vizag tops in 'YouthPOWER' score

The Andhra Pradesh State Handbook of Youth Opportunity assesses all 26 districts based on five parameters such as participation, opportunity, work, education, and readiness; youth unemployment in State stands at 16.2%, urgent attention sought for employment for grads, women: report

VISAKHAPATNAM

Visakhapatnam MP M. Sribharat, along with other dignitaries, releasing the Andhra Pradesh State Handbook of Youth Opportunity at GITAM Deemed to be University in Visakhapatnam on Monday.

Visakhapatnam MP M. Sribharat on Monday unveiled the 'Andhra Pradesh State Handbook of Youth Opportunity' at Gitam University in the city. The handbook assesses all 26 districts based on five parametres - participation, opportunity, work, education, and readiness or skilling.

It is based on nearly 180 indicators drawn from 27 government databases. Among the State's 26 districts, Visakhapatnam recorded the highest Youth-POWER score of 55.

While Andhra Pradesh's schools rank among the best-in the country, and large number of youth pursue higher education compared to many States, the handbook states that the State has struggled to convert these advantages into secure, well-paid employment for its youth, particularly for graduates.

According to the report, youth unemployment in the State stands at 16.2%, even though 46.4% of young people are part of the labour force. Nearly 28.4% are neither employed, studying, nor undergoing training. The labour force participation rate among young women, is considerably lower at 29.7%.

The handbook identifies two areas for urgent attention: employment for graduates, and getting more women into the workforce.

Speaking at the launch, the MP called for closer coordination between education, skilling, and industry.

"Universities and skilling institutions must understand the needs of local industries, while employers should know where skilled talent is being nurtured. If we can build and constantly update that information system at the district level, we can tailor our teaching and training to align with the available opportunities," he said.

Future of India Foundation Executive Director Ruchi Gupta pointed to elected representatives as a lever for change.

The handbook noted that Visakhapatnam's labour market leans heavily towards formal employment. Around 60% of workers hold regular salaried jobs, nearly three times the 21% recorded in a typical district.

Value added per worker, a measure of how productive local enterprises, stands at roughly ₹1.79 lakh against ₹1.42 lakh typically.

Deputy CM K. Pawan Kalyan along with children inaugurating the children's park at Mysamma pond near Pithapuram on Monday.

The beautification works of at least 105 ponds, which are being developed at an estimated cost of ₹50 crore, will be completed by the end of September, Deputy Chief Minister K. Pawan Kalyan announced on Monday. The government has undertaken development of at least 11 ponds at an estimated cost of ₹6.11 crore in his home constituency, Pithapuram. The ponds are being developed to increase green cover on the bunds.

Mr. Pawan Kalyan on Monday inaugurated the Mysamma pond, developed at a cost of ₹72 lakh, in the Pithapuram Assembly constituency. The surrounding area of the pond is equipped with various facilities, including a gym and a walking track.

"The ponds in the villages are not merely a source of irrigation or drinking water. These can be used for entertainment for local apartment venues," the Deputy CM said while addressing the gathering at the Mysamma pond.

ASR District Collector T. Nishanthi on Monday directed officials to strengthen coordinated action against drug abuse, ganja cultivation, crimes against women and road accidents, at a district-level National Centre for Coordination of Drug Law Enforcement (NCORD) meeting held at the Collectorate in Paderu.

The meeting, chaired by Ms. Nishanthi, reviewed the State government's "Trishul" strategy, built around three objectives - zero drugs, zero tolerance towards atrocities against women, and zero road accidents.

District Superintendent of Police Amit Bardar said

Officials directed to strengthen coordinated action against drug abuse, crime against women

the "Chaitanyam" programme, under which villages adopt resolutions against ganja cultivation, was being emulated by neighbouring ganja-prone areas. Officials said Cordon and Search Operations had covered 147 villages, with 82 previous offenders counselled and a ten-member special task force constituted.

Action under the PIT-NDPS Act had led to 15 detention orders among 32 persons identified, besides 586 suspect sheets being opened.

Minister warns absentee doctors, staff

VIJAYAWADA

Minister of Health, Medical, and Family Welfare Satya Kumar Yadav on Monday directed officials to take action against doctors and department staff who have remained absent from their duties for an extended period.

Taking part in a review meeting in Mangalagiri, the Minister said employees should obtain certification from government doctors for illness and required leave, and that medical certificates and recommendations issued by private doctors will not be accepted. He issued the instructions when he was informed that shortage of staff caused inordinate delays in disposal of files.
