Caste census format

BHOPAL: Senior Congress leader Ajay Kumar Lallu on Saturday questioned the Centre's intentions over alleged flaws in the existing caste census format and demanded that the current questionnaire be replaced with a fresh one containing a verified drop-down list of castes. Addressing a press conference at the Madhya Pradesh Congress office, the Congress Working Committee member said the foundation of social justice would be weakened if the caste census data was not accurate. It will hurt the OBCs (Other Backward Classes), EBCs (Extremely Backward Classes), and marginalised sections the most, he said.

The former UP Congress chief said the "open-ended" system could result in the same caste being recorded under different names, sub-castes and spellings, leading to discrepancies in the data. He also claimed that the term "Backward Classes" was not clearly included in the existing questionnaire, raising questions over whether the actual numbers of OBCs and EBCs would emerge from the exercise. Without accurate data, it would not be possible to assess the rightful share of different communities in reservation, education, employment and welfare schemes, he said.

NIA chargesheets 13

NEW DELHI: The National Investigation Agency (NIA) has chargesheeted 13 people under the stringent anti-terror law UAPA for alleged involvement in spying on sensitive locations as part of its probe in the Ghaziabad espionage case linked to Pakistan, officials said on Saturday.

The case, which was initially registered by Kaushambi Police Station, Commissionerate Ghaziabad on March 14 2026, relates to the installation of solar-powered cameras at railway stations and providing live access from them to suspected terrorists in Pakistan, they said.
