

Toyota Kirloskar Motor Partners with MSRTC to Launch "Hirkani Kaksha"

Ahmedabad, Toyota Kirloskar Motor (TKM) today signed a Memorandum of Understanding (MoU) with the Maharashtra State Road Transport Corporation (MSRTC) to launch "Hirkani Kaksha" (Lactation Pods), a transformative gender-responsive initiative designed to support nursing mothers and enhance the safety and dignity of women commuters across Maharashtra's public transport system. Under this initiative, TKM will support the installation of 125 lactation pods across MSRTC bus depots throughout Maharashtra, providing secure, private and hygienic

spaces equipped with essential amenities including prefabricated rooms, seating, feeding tables, baby diaper changing stations, sanitary napkin dispensers, and ventilation facilities. The initiative is expected to serve nearly 4.50 lakh women commuters annually, addressing a critical gap in gender-sensitive infrastructure at public transport hubs. Maharashtra's MSRTC operates approximately 22,800 buses across the state with major depots experiencing high daily commuter volumes of 20,000 to 50,000 passengers. (1-7)

Sonata Information Technology Limited Signs Collaboration Agreement with AWS

Ahmedabad, Sonata Software [NSE: SONATSOFTW, BSE: 532221] today announced that Sonata Information Technology Limited (SITL), its domestic business, has signed a five-year Strategic Collaboration Agreement (SCA) with Amazon Web Services (AWS) to accelerate cloud adoption and modernization for enterprises across India. The agreement advances Sonata's hyperscaler-led growth strategy and expands its ability to address cloud transformation opportunities in the Indian market. The companies will pursue a joint go-to-market (GTM) strategy in India to address the growing AI and cloud transformation opportunity. Under the

agreement, Sonata will invest in dedicated AWS-focused sales, presales, technical, and delivery capabilities, while expanding joint go-to-market efforts across BFSI, retail, manufacturing, IT, and healthcare industries. The collaboration will also enable Sonata to leverage AWS programs including Migration Acceleration Program and Managed Services Program that support complex cloud transformation initiatives and help customers move from legacy technology environments to modern cloud architectures. These investments are intended to create a more integrated model for identifying opportunities and supporting customers through execution. (1-7)

Tata Motors showcases next-generation aggregates portfolio at Bauma CONEXPO India 2026

Ahmedabad, Tata Motors, India's largest commercial vehicle manufacturer and mobility solutions provider, showcased a comprehensive portfolio of next-generation aggregates at Bauma CONEXPO India 2026. The exhibits include CPCB IV+ (Central Pollution Control Board IV+) compliant Tata Motors Gensets ranging from 10 kVA to 125 kVA, high-performance industrial engines spanning from 0.7L to 3.3L, and the HR 210 Live Axle-India's first hub reduction axle with high localised content. The solutions are designed to address the evolving needs of material handling, construction equipment, industrial

applications and logistics segments, and are engineered for reliability, high efficiency and durability in demanding construction environments. Speaking about the showcase, Mr. Vikram Agrawal, Head - Parts and Aggregates Business, Tata Motors Commercial Vehicles, said, "Bauma CONEXPO is a prominent platform to demonstrate the depth of Tata Motors aggregates portfolio. We have built world-class engineering capabilities in India: engines, gensets, axles that are designed, developed and manufactured in India to perform under the most demanding operating conditions. Ai+ Smartphone to Cross 1,000+ Service Touchpoints

Ahmedabad, Ai+ Smartphone is strengthening its after-sales experience in India with plans to expand its service network to 1,000+ service centres across the country. It will also be establishing its first exclusive Ai+ Service Centre in Delhi this Diwali. Complementing the expansion of its physical service infrastructure, the brand is also introducing the Ai+ Assistance App, a unified digital platform designed to bring device support, service bookings, ticket tracking and troubleshooting assistance together in one place. The expansion will add 200+ service centres to its already existing network of 800+ service centres, further extending the brand's after-sales reach across India. Together, the physical and digital expansion is aimed at making the ownership experience more accessible, transparent and consistent for

Ai+ customers, from raising a service request to tracking its resolution. Commenting on the announcement, Madhav Sheth, CEO, NxtQuantum Shift Technologies (Ai+ Smartphone), said, "Building a smartphone brand goes beyond the device. At Ai+, the ownership experience is where the real relationship begins. Crossing 1,000+ service touchpoints, establishing our first exclusive service centre and introducing the Ai+ Assistance App are important steps towards making support more accessible, transparent and dependable. Our focus is simple, to ensure that wherever our customers are, reliable support is never far away."

Lam Research Announces India Expansion

Ahmedabad, Prior to SEMICON India 2026, Lam Research Corp. (Nasdaq: LRCX), a leading global supplier of semiconductor manufacturing equipment and services, announced it intends to invest approximately INR 10,000 crores to add its first silicon component manufacturing facility in the country and augment its advanced research and development operations. The planned investment reflects Lam's long-term approach to invest across key aspects of the semiconductor ecosystem in India. Lam has been a leader in the Indian semiconductor ecosystem for more than 25 years, including operating a large engineering hub and one of the country's most advanced chip research and development (R&D) laboratories. During this time, the company also incorporated India into its global supply chain and trained thousands of individuals for the semiconductor industry through robust workforce development programs. The planned manufacturing investment represents the next phase of development to support customers worldwide as semiconductor complexity accelerates in the AI era. The new manufacturing facility will support a vertically integrated process spanning silicon ingot production and processing for advanced semiconductor technologies and leading-edge nodes. (20-4)

HERO MOTOCORP KICKS OFF FESTIVE 2026 BY CELEBRATING ART FORMS OF INDIA

Ahmedabad, Hero MotoCorp, the world's largest manufacturer of motorcycles and scooters, today unveiled its festive campaign, celebrating the arrival of Lord Ganesha through Indian art forms – Warli (Maharashtra), Kalamkari (Andhra Pradesh/Telangana), Gond (Madhya Pradesh), Pichwai (Rajasthan) and Mata ni Pachedi (Gujarat). Bringing together the artisans from different regions of India, the campaign places the country's rich folk heritage at the heart of the festive conversation, while introducing a contemporary sensory expression through the Hero Destini. The campaign will be live from 14 September to 25 September 2026, across the Ganesh

Chaturthi festive period. The campaign brings together distinct artistic traditions and the master practitioners, translating the cultural identity of each region into a unique visual welcome for Bappa. From Maharashtra's Warli and Madhya Pradesh's Gond to Rajasthan's Pichwai, Gujarat's Mata ni Pachedi and the Kalamkari tradition of Andhra Pradesh/Telangana, each artwork has been created by an artist rooted in the craft and credited by name. Speaking about the campaign, Aashish Midha, Head of Marketing- Indian Business Unit, Hero MotoCorp said, "Festivals offer a powerful opportunity for brands to participate in the cultural moments that matter deeply to people and communities. Türkiye: The Fast Lane to Summer Holiday

Ahmedabad, Every journey matter, but at the start of a summer holiday, every minute counts. Today's travellers increasingly value a seamless travel experience that gets them to their destination quickly, allowing them to spend less time in transit and more time enjoying their holiday. As convenience and speed become key priorities, the arrival experience plays a more important role than ever, particularly as long queues at many major airports have become a familiar part of the summer travel season. Against this backdrop, Türkiye stands out by offering a fast, seamless and hassle-free arrival experience. With extensive direct air connectivity to major global hubs and efficient border procedures, the country enables visitors to spend less time waiting and more time enjoying its rich and diverse

summer experiences from the moment they arrive. One of Türkiye's greatest advantages for international travellers is its extensive and well-connected airport network, spanning all seven regions of the country. Combining state-of-the-art infrastructure with high service standards and the renowned warmth of Turkish hospitality, Türkiye's airports ensure visitors feel welcome from the moment they arrive. While ?stanbul, the country's global and vibrant metropolis, is served by two airports, many of Türkiye's most popular destinations are equally easy to reach. From ?zmir and Mu?la, the jewels of Türkiye's Aegean region; Antalya, the star of the Turkish Riviera; and the historic capital of Ankara, travellers can fly directly into modern airports offering efficient services and convenient onward connections. JCB India Unveils 10 New Made-in-India Machines

Ahmedabad, JCB India, a leading manufacturer of earthmoving and construction equipment, unveiled 10 new products at bauma CONEXPO INDIA 2026. The new range reflects the company's focus on developing globally benchmarked products designed, engineered, and manufactured in India, while addressing the evolving needs of customers across domestic and international markets. At bauma CONEXPO INDIA 2026, JCB India showcased 21 products across its portfolio, with its new range of the iconic Backhoe Loaders taking centre stage. The new 3DX, 3DX Plus and 3DX Super were launched, bringing enhancements focused on productivity, fuel efficiency and operator experience. The portfolio combined global engineering and innovation standards with a deep understanding of Indian operating conditions. This is also in line with the company's vision of contributing to Atmanirbhar Bharat and strengthening India's position as a global

manufacturing and export hub. Mr. Deepak Shetty, CEO and Managing Director, JCB India, said, "India is building infrastructure at an unprecedented scale and speed, creating new opportunities for the construction equipment industry. At JCB, we are proud that our complete range machines designed, engineered and manufactured in India are not only supporting projects across the country but are also being exported to more than 135 countries worldwide.–

Swiggy Dineout turns GIRF into The Great Indian Ravi Festival with Ravi Kishan

Ahmedabad, Swiggy (Swiggy Ltd, NSE: SWIGGY / BSE: 544285), India's pioneering on-demand convenience platform today announced the return of Swiggy Dineout's flagship dining property, the Great Indian Restaurant Festival (GIRF) but with a twist. This year, GIRF has been reimagined as The Great Indian Ravi Festival, built entirely around the internet's current obsession, Ravi Kishan. The campaign is anchored by the line "Discount Followss My Brothaaaaa", a twist on one of Ravi Kishan's most viral dialogues, tying the internet's favourite movement directly to GIRF's core promise: unbeatable dining discounts. This edition of GIRF will be live from September 14, 2026 to October 24, 2026. Customers can enjoy up to 50% off across 57,000+ restaurants in 84+ cities across India, including a range of cafés, pubs, bars, luxury dining and family restaurants. Diners can also get an additional 10% instant discount on all HDFC Bank cards, along with 10% back as DineCash on every booking made through Dineout. The renaming of GIRF is much more than a branding exercise. It is Swiggy Dineout's response to a cultural moment that is already unfolding online. Ravi Kishan, a household

name in Indian cinema for decades, has recently been trending across social channels with his dialogues, expressions and mannerisms remixed and shared widely by a wide generation of internet users. (20-4)
