GOPESHWAR: Seven workers were killed after water and debris suddenly gushed into an under-construction tunnel at the Vishnugad-Pipalkoti Hydroelectric Project in Chamoli district, Uttarakhand, officials said on Friday. Three workers remain missing, while rescue teams are continuing an intensive search operation inside the tunnel.

The incident took place on Thursday at Mayapur near Pipalkoti when landslides and subsidence caused a large quantity of debris and water to enter the tunnel, trapping workers inside. District Disaster Management Officer N K Joshi said 22 people were working inside the tunnel when the accident occurred. Nineteen workers were rescued overnight, but seven of them later died. Three workers are still unaccounted for.

The deceased have been identified as Pradeep Singh Pawar of Tehri, Mukesh of Chamoli, Durabhai Sharma of Bihar, Vijay Hansda of Jitendra Kumar of Jharkhand, and Lokeswar and Bhuneshwar, whose native places have not yet been confirmed. The three missing workers have been

identified as Lucas Topo of Jharkhand and Chetan Poyam and Devnath of Chhattisgarh.

Several workers were injured in the incident. According to officials, 10 injured workers are undergoing treatment at the District Hospital in Gopeshwar, while one has been admitted to Base Hospital in Srinagar. Another injured worker was discharged after receiving medical treatment. Six rescue personnel have entered the water-filled tunnel as part of the ongoing

ing operation. Teams from the National Disaster Response Force (NDRF), State Disaster Response Force (SDRF), Indo-Tibetan Border Police (ITBP) and Uttarakhand Police are jointly conducting the rescue operation.

Garhwal Range Inspector General Rajeev Swaroop said continuous rainfall has created difficulties for rescuers. However, he expressed confidence that the operation would succeed. Rescue teams are using heavy machinery to pump out accumulated water and remove debris. Officials have also marked a specific operational area and are systematically checking every section of the tunnel. Uttarakhand

Chief Minister Pushkar Singh Dhami reached Pipalkoti by helicopter to view the rescue efforts. District Magistrate Gaurav Kumar, who was present at the site, directed officials to mobilise every available resource to locate the missing workers.

The tunnel is part of the Tehri Hydro Development Corporation's Vishnugad-Pipalkoti Hydroelectric Project. The accident has also brought back memories of the Sikkaya-Barkot tunnel collapse in Uttarakashi on November 12, 2023, when 41 workers were trapped underground. All 41 workers were rescued after a challenging 17-day multi-agency operation.

Conviction upheld in 11-year-old ragpicker abuse case

Press Trust Of India

On Friday, the Delhi High Court upheld a man's conviction in the sexual assault of an 11-year-old boy.

NEW DELHI: The Delhi High Court has upheld the conviction of a man accused of sexually assaulting an 11-year-old homeless boy, observing that a child living on the streets cannot be expected to recall details such as the exact date, time or clothes worn during a traumatic incident with mathematical precision.

In a judgment delivered on August 10, Justice Chandrasekharan Sudha upheld the trial court's August 2025 conviction under Section 377 of the

Indian Penal Code (IPC) and Section 6 of the Protection of Children from Sexual Offences (POCSO) Act. However, the court reduced the 20-year prison sentence to 10 years, noting that the offence occurred in November 2016, when the applicable punishment under Section 6 was a decade. The minimum sentence was increased to 20 years with effect from August 16, 2019.

The minor had alleged that the accused sexually assaulted him while he

was sleeping under a railway bridge at Kashmere Gate in November 2016. The incident came to light after the boy informed social workers who were conducting a free medical aid programme for homeless people in the area. The workers subsequently informed police.

FAST FACTS

● The court stated that a child living on the streets cannot clearly remember the details of the incident as compared to someone living at home.

The accused's counsel argued that he had been falsely implicated and that the prosecution had failed to establish that the boy was below 12 years of age. The defence also pointed to inconsistencies in the boy's testimony concerning the incident and the clothes he was wearing.

Census training disrupted by student protestors

IMPHAL:

Protesters demanding implementation of the National Register of Citizens (NRC) in Manipur on Friday disrupted a training programme for census personnel in Bishnupur district, officials said.

Members of the Campaign for Just and Fair Delimitation (JFD) students' wing entered Moirang College, where enumerators and supervisors were scheduled to receive training for the upcoming census exercise. Carrying placards reading "No NRC, No Census", the protesters allegedly forced the trainees to leave the premises before the programme could begin. Police personnel were deployed to control the situation.

JFD students' wing convenor Naorem Wambamba later said the organisation wanted the NRC conducted to identify illegal immigrants in the state. He alleged that the government was proceeding with the census without first addressing this demand.

Wambamba urged the government to respect the people's concerns and halt the census exercise until the NRC is implemented. The JFD has consistently demanded that an NRC exercise be conducted in Manipur before the census to identify illegal immigrants.

BENGALURU: BJP legislators on Friday staged a protest inside the Vidhana Soudha premises in Bengaluru, objecting to the absence of women ministers in the recently expanded Cabinet headed by Karnataka Chief Minister D K Shivakumar. Accusing the ruling Congress of being "anti-women", the protesters raised slogans against the state government. The protest was led by state BJP president B Y Vijayendra and attended by Leader of Opposition in the Karnataka Legislative Assembly R Ashoka, Leader of Opposition in the Legislative Council Chhalavadi Narayanaswamy and several other legislators, including women MLAs. The BJP legislators initially gathered near the Nadevi Bhuvaneshwari statue at the entrance to the Vidhana Soudha and later marched towards the building.

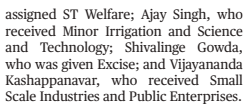

Shivakumar was sworn in as Chief Minister along with 13 ministers on June 3, following Siddaramaiah's resignation on May 28. On August 3, about two months after taking charge, Shivakumar expanded his Cabinet by inducting 19 ministers. The expansion increased the total strength of the ministry to 33, including the Chief Minister. However, no woman was included in the Cabinet. The newly inducted ministers include T Raghu-murthy, who was
