

IISER Mohali withdraws admission by-laws amid student concerns

Undertaking asked students not to participate in protests, declare they do not have any mental illness

Express News Service Mohali, September 5

A DAY after The Indian Express reported the IISER Mohali seeking an undertaking from students that they will not participate in protests or agitations on campus, the institute on Saturday withdrew its admission by-laws, saying all documents signed under the provisions stand cancelled.

The move follows days of unrest on campus, including questions over a fatal lift accident, the death of a first-year student and an undertaking students allege was introduced without Senate approval.

In an email to the Student Representative Committee (SRC), Dean (Students) Dr Adrene Freeda Dcruz said the by-laws, based on those of IISER Bhopal last year, had been withdrawn.

"Any document signed by students pursuant to these by-laws shall stand cancelled and have no further force or effect," Dcruz said.

The administration has now constituted a committee, including student representatives, to draft a document specifying the "Rights, Privileges and Responsibilities of Students". The draft will be

placed before the Senate for consideration and approval, with the provisions coming into effect only after such approval.

The withdrawal, however, has not ended the controversy. Students are seeking clarity on who authorised the disputed undertaking and how it became part of the admission documents without approval from the Senate.

A student leader, speaking on condition of anonymity, said the administration had repeatedly given assurances but failed to act on them. "The Director has been bypassing the requisite bodies, including the Senate as mandated under the IISER statutes, while pursuing his own ideas and approaches," the student alleged.

The controversy comes days after a September 2 incident in which an employee of a private logistics company died

in a lift-related accident on campus. Students alleged that the incident was not initially communicated to the wider student or faculty community and that the Registrar issued a statement only after repeated questions through emails.

The student community has demanded an internal inquiry into the lift's maintenance and repairs, besides an independent safety audit of similar campus infrastructure.

Hostel accommodation for the newly admitted first-year students has also become a major concern. Students alleged that two students were accommodated in rooms meant for single occupancy, resulting in severely cramped conditions.

The SRC had sought an open house with the Dean (Students) on issues including disciplinary guidelines, warnings to parents, annual room and

hostel changes, minutes of an earlier post-protest meeting, pharmacy and medical facilities, and room arrangements for the MS26 batch.

The situation was further aggravated, students said, by the death of a first-year student in the hostel. They alleged that the incident was not immediately communicated to the wider institute community. At a condolence meeting the following day, students said neither the Director nor the Dean (Students) addressed the student body as a whole.

Students have since demanded a transparent inquiry into hostel occupancy, a time-bound plan for hostel expansion and renovation, accountability for the lift accident and long-term support for the deceased worker's family.

They have also sought transparency in the utilisation of recently increased fees, 24x7 medical and mental-health support, and a time-bound grievance-redressal mechanism.

Repeated attempts to contact the Dean (Students) for a response to the allegations remained unsuccessful.

HC completes compliances for Chandigarh family courts, admin to issue notification

Jagpreet Singh Sandhu Chandigarh, September 5

ALL NECESSARY compliances at the Punjab and Haryana High Court's end for establishing Family Courts in Chandigarh have been completed, with the Chandigarh Administration now required to issue a notification and sanction two judicial posts along with 40 posts of ancillary staff, the High Court has said in a compliance affidavit.

The affidavit was filed by Ravdeep Singh Hundal, OSD (Litigation), Punjab and Haryana High Court, on behalf of the High Court in a PIL filed by

People Welfare Society through advocate Kanwar Pahlul Singh, seeking establishment of a Family Court in Chandigarh.

The affidavit states that the PIL is pending before the High Court and the petitioner has sought directions to the Chandigarh Administration to take immediate steps to comply with Section 3 of the Family Courts Act, 1984, and establish a Family Court at the District Courts, Chandigarh, in view of the approval already granted by the High Court through a letter dated October 6, 2017.

The High Court had, through the October 6, 2017, letter, conveyed its decision to

establish one Family Court in Chandigarh and requested the Administration to issue the necessary notification and sanction the post of Judicial Officer of the rank of District and Sessions Judge, along with supporting staff and their respective pay scales.

Several subsequent communications were also sent to the Chandigarh Administration seeking the notification for setting up the Family Court and sanction for the judicial post and supporting staff.

"However, the matter remained pending with respondent No.1 (Chandigarh Administration)," the affidavit states.

The compliance report further states that, in response to communications from the Chandigarh Administration, the District and Sessions Judge, Chandigarh, was asked by the High Court through letters dated October 15, 2020, and November 12, 2020, to provide a checklist sought by the Administration.

A further development took place during a meeting of the HC Creation Committee on April 4, 2025. According to the affidavit, it was decided to set up at least two courts to deal with family matters, along with ancillary staff, by establishing one additional Family Court.
