SC seeks EC timeframe to decide TMC symbol feud

We Saw What Delay Did In Sena Case: SC

FIGHT FOR IDENTITY

New Delhi: Observing that the dispute between two rival factions of All India Trinamool Congress claiming party name and symbol should be adjudicated within a reasonable time, Supreme Court on Thursday asked the EC to give a timeframe to adjudicate the matter.

While hearing a plea filed by former West Bengal CM Mamata Banerjee challenging EC's interim order freezing the party symbol, a bench of Chief Justice Surya Kant and Justices Joymalya Bagchi and V Mohana said early adjudication of the dispute was desirable and the poll panel could conduct hearings on a day-to-day basis. "We have seen what delay does in the Shiv Sena (factional dispute) case," the bench said.

Appearing for Banerjee, senior advocate Kapil Sibal had started by saying he was not seeking a stay on EC's interim order as the process of by-elections had already commenced and the bench also said it could not touch the order when the election process was underway. Sibal, however, questioned the EC's intention in passing the interim order in the middle of elections, saying it left his client without any remedy, and insisted that the commission be directed to pass a final order by the end of Oct.

After hearing the warring factions, the court asked EC's counsel Dama Naidu to take instructions from the poll panel on how much time it would take to decide the dispute, and brief the court on Monday. "Find out, for final adjudication, how much time are you expected to take," the bench told him and posted the case for Sept 28.

Cal HC slams EC for assigning ISF election symbol to TMC rebels

Kolkata: The Calcutta High Court on Thursday came down heavily on the Election Commission over reassignment of the 'envelope' symbol to the newly formed Democratic Trinamool Congress from the ISF, observing that the poll panel "should act fairly".

Noting that there are 183 free election symbols at the disposal of EC, the HC asked what was the reason for the panel to give away the 'envelope' symbol to a party contesting the bypoll in Bengal's Nandigram, where the ISF has also fielded its candidate.

The court observed that the symbol should have been kept reserved. "The authority should act fairly," Justice Krishna Rao observed.

The HC adjourned hearing in the matter until Friday on a prayer by the EC's counsel for taking instruction on why a notification was not issued for allotment of symbols for the bypolls. PTI

Allow arrested Cong nominee to contest: Two Cal HC benches

Kolkata: Two benches of the Calcutta high court, hearing separate petitions, on Thursday expressed the view that arrested Congress candidate for Nandigram bypoll Milan Pradhan should be allowed to contest the Oct 6 election.

Hearing a bail application by Pradhan in four cases in which he is incarcerated, Justice Tirthankar Ghosh expressed the view that he should be allowed to contest the election.

Another bench of Justice Saugata Bhattacharyya also expressed a similar opinion regarding Pradhan's candidature in the Nandigram by-election, verbally observing that he be permitted to contest.

Pradhan was arrested on Sept 18 in connection with 19-year-old criminal cases lodged at Nandigram and Khejuri police stations pertaining to the violent agitation during the anti-land acquisition movement in 2007.

Justice Tirthankar Ghosh directed the West Bengal govt to produce the case diaries in connection with the four cases for which Pradhan has prayed for bail.

The court asked the govt to clarify its position on the matter during further hearing on the bail applications on Friday. PTI

Over 20 passengers rescued during the operation

President Droupadi Murmu, Prime Minister Narendra Modi and UP chief minister Yogi Adityanath condoled the loss of lives in the incident. Chief fire officer Pradeep Kumar said the bus, bearing registration number BR32PA8647, was travelling from Kashmere Gate in New Delhi towards Mahoba when it caught fire near the 33km milestone on the expressway in the Jewar police station area.

"On receiving information, police officials, along with local police personnel, a rescue tender, a fire tender stationed at the Jewar toll plaza and four other fire tenders immediately reached the spot and doused the fire," Kumar said. "More than 20 passengers were rescued during the operation. When police and fire service personnel entered the bus amid the smoke, nine people were found dead inside, apparently due to burns or suffocation," he added. PTI

'Resolution for approving agenda passed in valid manner'

▶ From P 1

Tata Sons obtained multiple legal opinions after Tata Trusts, which owns about 66% of Tata Sons, challenged the Sept 17 board resolution giving Chandrasekaran a third term, arguing that its Articles of Association require affirmative support from a majority of Trust-nominated directors and that a chairman's casting vote cannot override that requirement.

Lalit said that of the five board members who voted on the proposal, four voted in favour of appointing Chandrasekaran as chairman. Noel Tata, one of two Tata Trusts nominees on the Tata Sons board, voted against Chandrasekaran's reappointment, while fellow nominee Venu Srinivasan supported it. With the votes tied among the directors appointed pursuant to Article 104B, the chairman's casting vote satisfied the requirements of Article 121.

Two independent directors voted in favour of the resolution.

"In my view therefore, the resolution dated Sept 17, 2026, for approving the agenda was validly passed," he added.

Tata Trusts has maintained that the split vote between its two nominees meant the requirement for affirmative support from the Trusts' directors was not met.
