

Donations to AAP fall 68%; 77% of TDP receipts from trust

Bharati Jain@timesofindia.com

New Delhi: Aam Aadmi Party's receipts from contributions in 2025-26 fell to Rs 12.1 crore, which is less than one-third of its Rs 38.1 crore inflow through this route in 2024-25. Of this, Rs 10 crore, or 83% of the total donations, came from Prudent Electoral Trust and the Trident Group founded by Rajya Sabha MP Rajendra Gupta, who switched loyalties from AAP to BJP earlier this year.

AAP a recognised national party that is in office in Punjab but was unseated by BJP in Delhi assembly polls last year, is the only party that declares all donation receipts and not just those above Rs 20,000 as required by the law. According to its latest reporting, the party filed with Election Commission (EC), both Prudent and Trident contributed Rs 5 crore each to AAP, in 2024-25. Prudent had donated Rs 16.4 crore to the party.

AAP is the only national party whose contribution report for 2025-26 has been made public so far by EC. As for regional parties, the reports for TDP, YSR Congress Party, BRS and BJD, among others, are available. AAP received just two corporate donations in the last financial year;

from Trident and the Kerala-based Brilliant Study Centre (worth Rs 20,000).

Among regional parties, TDP, which is in power in Andhra Pradesh since 2024, declared its donation receipts at Rs 38.3 crore, though this is less than the Rs 83 crore contributions it had reported the previous year. Prudent contributed over 77% of TDP's total receipts through six donations in 2025-26.

In 2025-26, Prudent was TDP's biggest donor, having contributed Rs 40 crore in all. YSR Congress Party, the main opposition party in Andhra Pradesh, received a total of Rs 24.3 crore in donations in 2025-26, though this figure is way less than its Rs 140 crore inflow in 2024-25.

BRS, which was voted out of office by Congress in Telangana in 2023, declared its total contributions in 2025-26 at Rs 16.4 crore, up from its Rs 15.1 crore in 2024-25. The 2025-26 contribution report for Biju Janata Dal (BJD), which lost power in Odisha in 2024, records nil donations, as against Rs 60 crore declared in 2024-25.

Part of AAP's donations in the last fiscal came from its MLAs, including former Delhi chief ministers Arvind Kejriwal (Rs 30,000) and Atishi Marlena (Rs 42,000).

Four Assam workers die after inhaling toxic gas in Meghalaya septic tank

Shillong: Four workers from Assam have died after reportedly inhaling toxic gas while attempting to repair an underground septic tank at Rangrakham in Meghalaya's South Gough Hills district. Police received information around 3 pm on Sunday that two labourers were trying to open the lid of a septic tank at the residence of Sebastian Chh Sangma. They collapsed after being exposed to fumes emanating from inside the tank. Two others, who rushed to their aid, were also overcome by the toxic gas and fell unconscious. Police and fire and rescue personnel reached the spot and launched a rescue operation. Two rescuers reportedly became unconscious while attempting to reach the workers and were provided immediate medical assistance.

Think Logistics, Think CONCOR

Seamless End-to-End Logistics across Rail Road & Sea

कॉनकोर
CONCOR

Shri Ajit Kumar Panda
Chairman and Managing Director

Dear Fellow Shareholders,
Good afternoon and a very warm welcome to each one of you to the 38th Annual General Meeting of your Company. At the outset, I am very happy to state that your company, with its strong performance, continues to retain its position as the undisputed market leader in India's rail logistics sector.

BUSINESS ENVIRONMENT AND ECONOMIC SCENARIO
At present, the World is at the crossroads of extraordinary uncertainties with various geopolitical conflicts and tensions. There is growing tendency of protectionism by nations, lack of trust and weaponisation of trade and supply chain.
On the other hand with the progressive Government policies for inclusive development, rising consumption, disposable income, credit growth, demographics advantage and competitive business environment, our Country is well positioned to face any challenge. The Indian economy has continued to demonstrate remarkable resilience with GDP growth of 7.1% achieved for 2024-25 and an estimate of 7.7% for 2025-26. The GDP growth of 7.8% in the first quarter of the current year establishes that India remains a growth engine for the world economy.

"Today, India is the world's fastest-growing major economy. We are in a position to help lift the world out of slow growth."
The progress across several underlying economic indicators like

assured transit time trains are moving goods faster now. Thus, rail transportation, when duly supported by conducive infrastructure offers distinct advantages over road in terms of cost, speed and environment and hence is bound for gaining market share.

In a significant step towards strengthening **Atmanirbhar Bharat** in the global logistics landscape, movement of export-import cargo in our own containers to overseas destinations has commenced. The company has developed its Shipping platform for F&B, clothing, textiles and other goods. The terminals being set up at Salawas in Rajasthan and Chardoli in Gujarat on Western Deck will improve double stack racking.

During 2025-26, CONCOR has operated 6,396 Double-stack container trains.

Double Stack Container Train services have started directly between JNPT and terminals at Dadri, Khatwas and Varamana.
