

In a suspense thriller, LDF wins ward by draw

LDF wins 5 seats, UDF 2 in Palakkad district

EXPRESS NEWS SERVICE
@Palakkad

THE LDF emerged with the upper hand in Palakkad in the first local body by-elections held after the UDF government assumed office. Of the seven seats that went to the polls, the LDF won five, while the UDF secured two.

The LDF pulled off a dramatic victory in the Parukuthikkavu ward of Chittur-Tattamangalam municipality, defeating the UDF through a draw after the two candidates polled an identical number of votes in the by-election.

LDF candidate V Thulaseedharan was declared elected after both him and his UDF rival secured 423 votes each. With the counting ending in a tie, a draw was conducted with the permission of the district Collector, with Thulaseedharan emerging successful.

The result assumes added political significance as Parukuthikkavu was the ward represented by Chittur MLA Sumesh Achuthan, who resigned as councillor after being elected to the assembly. Achuthan had won the ward by a margin of 185 votes in the previous election. The by-election was necessitated by the vacancy following his resignation.

The LDF described the victory as a political verdict, claiming that voters had responded to the MLA's performance. The UDF, however, sought to play down the political significance of the result. Achuthan said the outcome could not be viewed purely through a political lens and that the reasons behind the result would have to be examined.

The MLA also said he could not participate full-time in the

election campaign and took responsibility for the defeat.

The closely fought contest was among the most keenly watched results in the district, with the tied vote and subsequent draw adding to the political drama surrounding the ward.

LDF retains Pallassana, captures Athippatta

Elsewhere in Palakkad, LDF won the Pallassana division of the district panchayat, with LDF candidate V Ponnukuttan securing a decisive victory with a margin of 10,688 votes. The by-election was held after former district panchayat president T M Sasi resigned from the division following his election to the assembly.

The LDF also retained the Hemambika Nava Nagar division of the Malampuzha block panchayat, with M Thoushika winning the seat.

In another gain for the Left, LDF candidate Rekha Santhosh wrested the Athipatta division of the Alathur block panchayat from the UDF. The LDF also retained a ward in Pattanchery panchayat, with Bindukumari winning by 18 votes.

UDF makes gains in local bodies

The UDF also registered victories in several local-body contests. It retained the 13th ward of Karimba panchayat and increased its majority there. In Sreekrishnapuram panchayat, the UDF wrested the 13th ward, Ragam Corner, from the LDF. UDF candidate P Gireeshan won the seat by a margin of 48 votes. The by-election results triggered celebrations by supporters of both fronts at various locations across the district, with the closely fought contests providing contrasting outcomes for the LDF and UDF.

NIA arrests Assam native from Palakkad in terror recruitment probe

EXPRESS NEWS SERVICE @Palakkad

THE National Investigation Agency (NIA) on Tuesday arrested a 54-year-old native of Assam from Vilayur near Pattambi in Palakkad as part of its probe into an alleged terror recruitment network.

The arrested is identified as Monirul Islam. He was taken into custody from his rented house at Edappalam in Vilayur in the early hours of Tuesday.

A source said the action was linked to a case involving allegations that efforts were being made to attract young people to

extremist ideology and recruit them into a terrorist organisation. Islam had reportedly come to Kerala in search of work and was employed at a poultry farm in Edappalam. He had been living in the rented house with his family.

The NIA team conducted the search at the house before taking Islam into custody. He was produced before the Pattambi court and taken away for further proceedings.

The raid was part of the NIA's investigation into alleged cross-border terrorist activities linked to the Imam Mahmud's

Kafilah, suspected to be a subgroup of the banned Jamaat-ul-Mujahideen Bangladesh.

It is reliably learnt that the agency conducted searches at 16 locations across Kerala, Assam and West Bengal as part of the investigation. Further details regarding the case and the alleged role of those detained are expected to emerge as the probe progresses.

The NIA arrested the accused in a case registered in Guwahati. The Judicial First Class Magistrate Pattambi gave the transit warrant to the investigation team.

SR permits DPR preparation for Enkakkad RoB

M K SAJEEV KUMAR @Thrissur

THE Southern Railway (SR) has permitted the preparation of a detailed project report (DPR) for constructing a railway overbridge (RoB) in place of Level Crossing No 8 at Enkakkad under Wadakkanchery municipality. The move follows the intervention of Alathur MP K Radhakrishnan.

Southern Railway general manager U Subba Rao informed the MP that permission had been granted for preparatory work for the DPR for the proposed RoB on the Shoranur-Ernakulam rail-

way section. Once the DPR reaches the final stage, further steps will be taken to obtain administrative sanction to eliminate the level crossing and construct the overbridge, he said in a letter to the MP.

Radhakrishnan had approached the Union railway minister and railway authorities highlighting the severe traffic congestion and travel difficulties at the Enkakkad level crossing. With both train and vehicular traffic remaining heavy on the route, the crossing has to remain closed for a considerable part of the day. This causes

difficulties for motorists and pedestrians travelling between Enkakkad and Wadakkanchery.

According to railway data, the Train Vehicle Unit (TVU) at the level crossing is 3,84,558. Residents said long queues of vehicles form on the road whenever the gate is closed. Ambulances and other emergency vehicles are also caught in the congestion, causing delays in urgent travel.

TNIE had earlier published a detailed report highlighting the need for an RoB at Enkakkad and the traffic problems faced at the level crossing.
