AP NEW YORK

For the Palestinian relief nonprofits behind a USD 1 million pledge from rapper Macklemore, the Grammy winner's latest contributions offer more than just money. Macklemore committed to donate his net earnings from Ed Sheeran's Loop Tour after he was dropped for making pro-Palestinian comments onstage at New Jersey's MetLife Stadium. The goal, he wrote in a Wednesday post on social media, was to "bring the conversation back to where it belongs" — the Palestinian people — after a 48-hour period that saw four supporting acts quit in solidarity and confusion over who held responsibility for the decision.

The six donation recipients included Medical Aid for Palestinians, Palestine Children's Relief Fund and the UN agency for Palestinian refugees, UNRWA. In addition to the funding windfall, their leaders welcomed the renewed public awareness of the perilous living conditions faced by the Palestinian people they treat regularly.

11 terrorists killed in Balochistan

AGENCIES KARACHI

Eleven terrorists were killed during intelligence-based operations in Pakistan's Balochistan province on Saturday, a day after security forces killed seven terrorists in the restive province. The latest operations were conducted in the Panjgur and Chagai districts of the province, state broadcaster Radio Pakistan reported. In Panjgur's Gowargo area, security forces killed five terrorists and recovered a large quantity of weapons and ammunition from their possession. Six terrorists were also killed during operations in the Aminabad and Siah Chang areas of Chagai district, according to the report. A significant cache of arms and explosive material was also seized during the operations, it added. Since August 31, security forces have killed at least 59 terrorists of Baloch insurgent groups and the outlawed Tehreek-e-Taliban Pakistan (TTP) in the province.

SAUDI ARABIA SOUNDS AIR RAID ALERT

Agencies DUBAI

Saudi Arabia warned of a "hostile aerial

threat" and issued a string of emergency alerts across the kingdom, including in its capital, late Friday and early Saturday. Also Saturday, Iran's state TV

reported that a man was executed after being convicted on charges of spying for Israel's intelligence agency Mossad.

Alerts sounded across

Saudi Arabia warned of a "hostile aerial threat" after issuing emergency alerts, and at least one explosion was heard in Riyadh. The alert in Riyadh was the first for the Saudi capital since the latest escalation with Yemen's Iran-backed Houthi rebels. No casualties or damage were reported after the alerts were lifted. Saudi authorities didn't say what prompted the alerts or the cause of the audible explosions, but they previously reported intercepting incoming Houthi missiles and drones.
